This year's task was very simple – to help the LUCS Ness Monster, Nessie, to peg out her laundry. Despite a damp start to the day, the weather was fine during the race, and all of the teams turned up well on time and displayed great skill and enthusiasm. Teams came from Perthshire, Glasgow, Drymen, Philpstoun, Pumpherston, Falkirk, Bo'ness and Linlithgow. There were 10 teams aged 14 and under, and seven brave first time entrants.

TO THE PRIZE WINNERS: all trophy winners must return their trophy before next year's race. Wooden Spoon winners can keep their wooden spoons forever. Next year there will be a limit on the number of boats which can enter the race, so apply EARLY!

Thank you all for taking part and for once again making the Cardboard Boat Race the highlight of the day.
